UN NO.: NOT REGULATED
SEE CONTAINER FOR BATCH DETAILS
COUNTRY OF ORIGIN: REPUBLIC OF SOUTH AFRICA
VERSION ROLFES AGRI: 01/2019
• For optimum results ACTICELL® MoB should be used in a programme and in combination with other balanced fertilizers and foliar feeds.
• It is advisable to do a miscibility test prior to mixing with other chemicals.
• Consult with your chemical distributor should crop specific programmes or any other information be required about the use of ACTICELL® MoB
• Ensure thorough agitation of the product during filling and spraying. Always use spray tank strainers when pouring product into spray tank. The spray tank must be flushed out with clean water at the end of the day.
• ACTICELL® MoB should preferably be applied in the early morning or late afternoon. Do not apply on wet fruit. Do not apply to plants that are undergoing a period of moisture or heat stress.
• Shake the container thoroughly before use.
• Use lower rates for maintenance and higher rates to correct deficiencies.
• Store in the original, well-sealed container away from sunlight. Keep away from children, uninformed people, animals and foodstuffs. Wash hands after use.
• Destroy empty container after use. Do not re-use for any other purpose.

**DIRECTIONS FOR USE: USE ONLY AS DIRECTED**
