Rolfes Agri (Pty) Ltd VAT No: 4770176081 (Reg. No. 1998/013411/07)

SAFETY DATA SHEET	Signal word: Danger.
1. CHEMICAL PRODUCT AND COMPANY	Hazard statements:
IDENTIFICATION	H317: May cause an allergic skin reaction.
	H318: Causes serious eye damage.
Product Name: AGRI-PASTE Mn	H402: Harmful to aquatic life.
Other identifier: AGRI-PASTE Mn	
Recommended use: Fertilizer	Precautionary statements:
Restrictions on use: Agriculture	P101: If medical advice is needed, have product container
Supplier Rolfes Agri (Pty) Ltd	or label at hand.
288 Mundt Street	P102: Keep out of reach of children.
Waltloo	P103: Read carefully and follow all instructions.
Pretoria, South Africa	P261: Avoid breathing dust/fumes/gas/mist/vapours/spray.
<b>Telephone:</b> +27(0)12 803 0145	P264 + P265: Wash hands and affected area thoroughly
E-mail Address: info@rolfesagri.co.za	after handling. Do not touch eyes.
Emergency Phone Numbers:	P272: Contaminated work clothing should not be allowed
Office hour poisoning helpline	out of the workplace.
Rolfes Agri (Pty) Ltd +27 (12) 803 0145	P273: Avoid release to the environment.
Spill Response and Transport Incidents	P280: Wear eye protection/face protection/protective

## Notice to Reader

The information contained in this Safety Data Sheet relate only to the specific product and do not relate to the use of the product in combination with any other product or process. Information in the SDS is supplied to the best of **ROLFES AGRI (PTY) LTD's** knowledge and are believed to be current and correct as of the date on this SDS. All reasonable efforts were exercised to compile this SDS in accordance with the Globally Harmonized System of Classification and Labelling of Chemicals (GHS).

The SDS only provides information applicable to the health, safety and environmental hazards of this product at the date of issue in order to facilitate the safe use, handling, storage and transport of this product and does not replace any product information or product specifications.

It is not possible for ROLFES AGRI (PTY) LTD to anticipate or control all conditions under which this product, this product may be used, handled, stored or transported. The obligation of the user, receiver, handler or transporter remains to review the content of the SDS prior to potentially exposing persons/employees to the product and to consider any risks that may associated with the hazards of the product during use, handlings, storage or Appropriate transportation. health, safety and environmental protection risk mitigating measures must be in place and such information must be communicated to all persons that might be involved with and exposed to this product.

Disclaimer:

ROLFES AGRI Proprietary Limited provides the information contained herein in good faith, however, the information and recommendations are presented without warrant, representation or license of any kind, expressed or implied, with respect to the accuracy, correctness or its comprehensiveness, or assume any liability for incomplete information contained herein or any advice given. The seller, supplier and manufacturer of the material and their respective affiliates (collectively, the "supplier") disclaim all liability for reliance on such information and recommendations.

This document is intended only as a guide to the appropriate precautionary handling and use of the product by a properly

trained person. Individuals receiving the information must exercise their independent judgement in determining its appropriateness for a particular purpose. When this product is sold, risk passes to the purchaser in accordance with the specific terms and conditions of sale. Accordingly, Rolfes Agri Proprietary Limited will not be responsible for damages resulting from use or reliance upon this information.
